Please be advised, we cannot release specific information about any individual.

We are so excited that we get to actually have a Life Changes New Beginnings Reentry Program! This has long been a dream of our team and now it's actually happening! Every five weeks, we take a look at how our current group of reentry guys are doing and determine what next level facility they should go into. This opens up beds for new guys. Every time a new guy comes in, we need to provide them with basic items. We can sure use your help! Please consider picking up a few items from the dollar store or donating a few bucks.
